

Fundraising For the 2019-2020 Skating Season!!

Throughout the skating season the club runs several fundraising opportunities to help bring in money to keep the club running and keep costs down for all our families. All families are required to Volunteer 6hrs to receive your volunteer cheque back. Please note that you are not required to participate in every fundraiser but we do however like to see every family bring in at least a \$100 profit to the club through our fundraising opportunities. There are also lots of other opportunities to get your hours in. We always need help sewing and making props for our year end carnival, making baked goods for our Santa skate and helping with our Christmas parade float. We will keep fundraising opportunities posted on a regular basis and will keep updated sheets on our board with volunteer hours that have been completed for each family.

NEW this year we will have a bin placed on our skating table as you walk in. This bin will have a file for every family. This is where we will put fundraising forms, newsletters, calendars, missed report cards, Pictures, Cheques or anything else needed for our families to receive. This is also where fundraising forms and money can be handed back in so people do not need to be cased down. It is your job to check this on a regular basis and hopefully will help keep everything organized and running smoothly through out the season.

Here is a list of most of the Fundraisers that we are running this season:

Elmira Chicken- October and January.

Skate Ontario Raffle Tickets- October- January

Chocolate Almonds- All season. Families can buy these by the box up front and sell at Merchants Games, businesses or anywhere you would like to get your money back.

Kernels Popcorn- All Season. This can also be purchased up front by the box to sell on your own.

Poinsettias- Koster's have offered to run this fundraiser with the Club this year. It will run in November and poinsettias will be delivered the beginning of December.

Nor-Pac Beef- February.

If anyone has any questions about fundraising or Volunteer hours for the season please contact Fundraising chair Teresa Van Wyk by E-mail teresavanwyk6@hotmail.ca or Text 519-533-2221.
